# Zen Teacher

The North Carolina Zen Center (NCZC) is accepting applications for an authorized Zen Teacher to serve as abbot/abbess of the Center. The ideal candidate will be an osho in an established lineage who exemplifies a high degree of training in either the Rinzai or Soto traditions, or in a tradition which combines a mixture of these two. We will also consider individuals who have substantial training under a roshi and are well advanced on the path to becoming an soho.

The Center seeks a teacher to oversee the spiritual development of the sangha, guide the Center's programs, and help lead the Center in fulfilling its mission as a place for the teaching and practice of Zen. The Center's Board of Directors will work with the successful applicant to tailor specific duties to her or his skills and availability.
